MOVING TIPS

- 1. Call Ferrick Bros. Moving Co. (FBMC)** as soon as your home is put up for sale. By calling early.
- 2. Start packing all non-essential items.** Pack a box a day and you will not be overwhelmed when moving days comes.
- 3. Clean out Attic, Basement, Sheds & Garage.** Get rid of anything you don't need. Roll-off dumpsters can be delivered to your home in all sizes— 10-15-20-30 yard sizes — we recommend Pistone Trash.
- 4. Stop shopping in bulk.** If you are paying a mover to move Sale Items, the cost of that Sale Item just cost you money.
- 5. When packing the main house, remember** — you **do not** need to empty bedroom furniture. Clothing may stay in the drawers. Any breakable Items or Jewelry should be packed.
- 6. Place all T.V. and Stereo Remotes in a box** and mark it as such. Remote Controls are the one item people always call to see if it was left on our truck.
- 7. Anything that can fit in a box** should be packed in a box. This includes lamps and shades, pictures and artwork, stereos and radios, etc.
- 8. Any appliance being moved** should be disconnected before movers arrive at your home.
- 9. The following should be drained for the move** — lawn tractors, lawn mowers, snowblowers, and anything with fuel should be emptied to avoid a spill in the truck.
- 10. My rule of thumb when telling people how to pack, is:** Do not pack anything that could spill and cause damage to a couch. When we load our truck, we will load the truck from floor to ceiling— and boxes go on top. **NO LIQUIDS** in boxes, please!!
- 11. Picking your mover early** gives you one more person you can call for help.
- 12. If you need to de-clutter your home,** FBMC has storage. Many times people decide to do their move in 2 stages. First Stage de-clutters your home. This makes the Second Stage much smoother because all the clutter is gone.
- 13. Many people believe they can't afford a mover.** Getting a free estimate is the best way to find out if you can afford a moving service.
- 14. If you need to get rid of furniture items** that are too good to throw out, FBMC works with Emmaus, Inc. of Haverhill — and we can find a home for these items for people who can really use them.
- 15. Calling FBMC for an estimate, I can give you a moving plan** built for you with YOUR timeline in mind — not just a standard plan. Everyone has different needs.

Here's What Some of Our Customers Have to Say...

Dear Bob,
 My brother Paul and I want to take the time to tell you how much we appreciate the wonderful job you and your movers did for us this past week.
 Last Thursday, February 28th, three of your movers took our belongings from Farrwood Drive to Hyatt Avenue here in Haverhill. Not a big move in terms of distance, but we know it took tremendous effort. These men worked from 1 am until nearly 4 pm, with only a short break while we attended the closing of our new home, and did a great job. Throughout this long day your men were polite, efficient and worked harder than you can imagine.
 Thank you, also, for your incredible flexibility. We were told just hours before the move that we would have to wait until after closing to begin moving into the new house. You were able to accommodate the change and, thanks to your very talented movers we were able to move everything in one trip.
 Please extend our thanks to your people and tell them how much we appreciate their efforts. Thank you for a job extremely well done!

Sincerely,
 M. Louise & Paul
 Bradford, MA

P.S. We will call in the next week to schedule the move of our belongings from Stor-U-Self to the new house.

Hi Bob,
 I have hired Ferrick Brothers at least a dozen times in the past ten or more years. We have had many office relocations (work) and I have moved a few times (personal). I have used Ferrick Brothers each time. They are there when they say they will be, quote fair prices and take good care of our belongings.
 What I really want to comment on is the exceptional staff that Bob employs. His staff has always impressed me. They are hard-working, conscientious, and perfect gentlemen. I have referred Ferrick Brothers to several of my friends and they, too, have been very happy.

Thanks Bob,
 Suzanne

Bob and Ferrick Movers,
 Thank you for taking the time out of your schedules to help the children of Haverhill. We at JG Whittier Middle School appreciate the hard work the crew put forth this week when moving a piano for us.
 You have an excellent staff and I will be sure to recommend them in the future.

Sincerely,
 Brendon

 You will surely be receiving MANY referrals from me in the near future!
